Memo to Counsel Re: Orthopedic Bone Screw Products Liability Litigation
Scientific Spinal, Ltd.

Margaret Chambrelli, et al. v. Scientific Spinal, et al.
Civil No. JFM-95-3948

Elmer Dyer, et al. v. Scientific Spinal, et al.
Civil No. JFM-95-3949

Dear Counsel:

In reviewing my file after the conference call we held on January 19, 2000, I came across show cause orders in two cases, Chambrelli v. Scientific Spinal, JFM-95-3948 and Dyer v. Scientific Spinal, JFM-95-3949 which I do not believe were covered by Ms. Lestelle's chart or discussed during the conference.

I ask Ms. Lestelle to advise me on or before February 10, 2000 as to which category these cases fall into, e.g., whether they should be dismissed with prejudice, dismissed without prejudice, or whether Ms. Lestelle intends to file a motion to withdraw because she has not been able to communicate with her clients.

Very truly yours,

J. Frederick Motz
